

Lunch-n-Learn: Itron's Mobile and Fixed Network AMI Solution

United Systems

Join Itron for Lunch and a Conversation

As a valued Itron customer, you are invited to an informative "Lunch-n-Learn" event featuring Itron's Mobile and Fixed Network AMI Solution for water, gas & electric utilities.

When: Wednesday, February 27th (free training day February 28th)
10 a.m. – 2 p.m. EST

Where: Embassy Suites Columbus – Buckeye Room
2700 Corporate Exchange Drive
Columbus, OH 43231

Join us for this "lunch-n-learn" to discuss Itron's industry leading handheld, mobile and Fixed Network AMI solution. A significant portion of this seminar will focus on providing you tips and tricks on maintaining and optimizing your current Itron handheld or mobile systems. The seminar will highlight specific Itron product enhancements, migration to FCS, migration to fixed network AMI, as well as discuss emerging technologies.

We will also discuss Itron's next generation OpenWay Riva fixed network solution and how this platform will position your community to become a Smart City.

If you are interested in in-depth training, we are also offering a free 1/2 day training on February 28th specifically for AMR-AMI updates, endpoint programming tips, FCS introduction and training, along with time for Q&A.

Lunch will be provided on the 27th and there will be raffle prizes!

Registration:

Don't miss out! Register by Thursday, February 21st, at 5 p.m. CT
